AMA
BY LUIGI ROMANELLI

AMA is expanded through the 40X120 format, a new piece suitable for any surface and which, in addition, comes with new graphics. AMA is designed to enhance the characteristics of lean concrete. Even so, the incorporation of new designs manages to squeeze the potential of the collection and its elegance through two new designs and two fresh and current decorations. A signature collection that, far from being watertight, adapts to changes and new trends.

AMA se amplía mediante el formato 40X120, una nueva pieza apta para cualquier superficie y que, además, viene de la mano de nuevas gráficas. AMA está concebida para realzar las características del hormigón magro. Sin embargo, la incorporación de nuevos diseños logra exprimir el potencial de la colección y su elegancia a través de dos nuevos diseños y dos decorados frescos y actuales. Una colección de autor que, lejos de ser estanca, se adapta a los cambios y a las nuevas tendencias.
